Presenting Sponsor:

Engage Sarasota is a community orientation program for executives and residents who are eager to establish business and civic relationships, meet area leaders, and want to fast-track their knowledge about the inner workings of greater Sarasota - all with a minimum investment of time and money.

Participants will:

- Broaden their working knowledge and understanding of the community via a monthly luncheon series with targeted topics at each program.
- Acquaint themselves with formal and informal decision-making channels and local leaders.
- Connect topics and meet people who will enrich their professional lives and depth of community engagement.
